### CHIEF'S REPORT

I would like to thank all those who came out to the structure fire -- fine job by all.

The ladder truck is at KME getting the necessary repairs done; it should be back by the first of March. This may mean that E100 will go to KME next and all those members assigned to E100 for truck inspection will now be assigned to T106. I will make the necessary adjustments to judging so that all is fair.

### ANNUAL TRUCK INSPECTION

Annual truck inspection will be March 17, 2007 starting at 9:00 a.m. at Station #1.

### PHYSICALS

Physicals will be given at Station #1 on March 7<sup>th</sup> starting at 17:00hrs, There is a sign-up sheet at Station #1. This is the only date that the

District will sponsor. If you can not make this date you must contact Partners in Safety to make an appointment, you will have until April 9<sup>th</sup> to get this done.

### LADDER TRUCK TRAINING

Ladder truck training will start in house when the truck comes back from KME. The class that Mike Wilbur will be teaching will be at Station #1 on the following dates: March 20<sup>th</sup>, 22<sup>nd</sup> and 29<sup>th</sup> at 1700hrs, and April 7<sup>th</sup> at 8:00am. This is mandatory for all who wish to drive this apparatus and for all who wish to be able to operate the ladder.

Drive safe, spring is coming.

## PRESIDENT'S REPORT

Spring is almost here and Daylight Savings Time will start on March 11th at 2am so winter should be closing shop soon?!?!?!?!?!?!?!?

I would like to thank those members who helped Dan Yanosh, Kevin Holland and Matt Shannon with this year's Super Bowl. I hope everyone had a great time at both the pre-game party and the festivals on Super Bowl Sunday.

The Board of Directors is working on legal issues that the Fire Company will have to meet to be complainant with both the State and the Federal Government. I know that there is some concern between members of why we are doing this and not leaving well enough alone. Times are changing. A volunteer organization now has to be managed as a business and follow business practices. Let's give them our full support because they are spending a lot of time and effort to get it right the first time.

Don't forget the Annual Dinner which is April 21<sup>st</sup> at Kuhl's Highland House. Send in your reservation to Fred Theadore.
