FROM NEWSPAPER CLIPPINGS AND OLD NEWSLETTERS (COURTESY OF AGNES YOUNGS)

1959: Picture: In midnight blue dress jackets and powder blue trousers, the men of the Circleville Fire Company presented an imposing appearance in the Sesquicentennial Fire Parade in Montgomery.

1984: A three-car accident on Route 302 near Thompson Ridge found our firemen there and assisting to get people from the cars. Some of the occupants were taken to the

hospital.

1985: Firemen attended church at Bullville Methodist. Alfred Schubert went to rest with the Lord March 13, 1985. Michael Offenheiser and Melissa Hill were married May 4th with a reception following at Townley Hall.

1986: July 4th Annual Parade co-chaired by Kevin Shannon and Albert Edwards, Jr. The firemen served hamburgers, hot dogs and all the fixings at the Town of Walkkill Park following the parade. It is an annual party for the public to see old friends and meet new friends. Trophies were given by the firemen, Circleville Wine and Liquors and the Circleville Inn.

The Fire Commissioners asked that all members bringing a guest into either of the firehouses, have their guest sign the book. The fireman is also responsible for the guest while in the firehouse. Edward Downey passed away on May 9, 1986. He was one of our Fire Police. Chief reported in the Newsletter that they have recently purchased and received a Kendricks Device (special back board) and two complete sets of Philadelphia collars (neck braces). Fire Company members taking EMS course will be instructed on the uses and application of both items.

1987: Annual July 4th parade with firemen marching. as well floats, children on bikes, walking, waving flags and of course, the fire engines. In July the Fire Company also made news that they had purchased a "Jaws of Life" which is equipment mainly for auto accidents. It is on the Fire Rescue Truck.

1988: Mike Buckley was injured when a fire erupted and he jumped from a first-floor window of his home. When firemen arrived, the Chief said flames were coming from most of the windows on the first level and from the left side of the building going up to the roof. It took 38 men and they were assisted by Bloomingburg, Washington Heights, Bullville and Howells to have the fire under control in about a half-hour.

1989: April found our firemen helping Bullville at a fire at the Thompson Ridge Nursery, Route 302, which destroyed over 50% of the building that housed the nursery. The July 4th parade was held with fire trucks, red, white and blue streamers on trucks, cars, antique cars, bicycles and floats along with marchers. Refreshments were served at the Town of Walkkill Park. Even "Uncle Sam" walked the parade and shook hands and gave out candy to the people on the sidelines. In August, the firemen responded to a tractor fire at the Cieslewitz Farm. It was a hot summer day and it caught fire while working in the fields.

In September, the members participated in the 130th Annual Firemen's Day Parade in Middletown.

A fire truck - a Mack chassis with a Pierce aluminum body, 1000-gallon booster tank truck arrived at Circleville from Appleton, Wisconsin. It has a 1500 GPM pump, 350 horsepower turbo charge diesel engine with a 102-inch wheel base. It has a top control operator's control panel and is known as Engine 102. It was purchased from Tyler Fire Equipment, Elmira, New York.

A wetdown was enjoyed on Sunday, November 13th and the rain that day made it all that more of a wetdown.

The Fire Company and Auxiliary attended the Annual Church Service at St. Paul's Catholic Church in Bullville. Preceding the Annual Church Service, the entire group enjoyed a breakfast together. Following the breakfast, all went to the Firehouse (Station #1) for the dedication of the Memorial Monument and then went to church.

A family lost their home on Scott Drive and many firemen and their families gave money, clothing, toys, furniture, etc.

October found the Chief and a fireman answering questions of the Pakanasink Elementary school children. The truck was there and Scott Air Packs were demonstrated for the children.

Francis Simmons of Route 302 passed away on December 4th. He was a Fire Policeman for the Fire Company.

1990: November found Circleville firemen assisting Silver Lake Fire Company at a trailer fire which left two children dead. One window was boarded, so they could not reach the children.

Adolph Gutkaiss entered into rest February 21, 1990. He was a fire policeman at the Bullville five corners usually.

At the September parade in Cornwall, the firemen took a first place trophy for Fire Department, Class C (10 to 19 members).

In the Chief's report, it was noted that the truck cleanup was won by E-102 but had tough competition from E-100. R-104 was also cleaned up more than the Chief ever expected. He thanked everyone who participated and congratulations to the crew from E-102.

Thunderstorms bombarded the region and two people died on Route 17 and nine were hurt as winds of more than 100 miles per hour swept through the Mid-Hudson area. An empty Mayflower moving van jackknifed in the Eastbound Lane and skidded across the median into the westbound lane and hit a car. Another car ran into the truck cab.

A "Circleville Community Christmas Tree" was adopted at the Country Mobil Station across from Station #1. There was tree decorating and refreshments for the community. The lights were turned on each evening giving the community the true spirit of Christmas.

1991: Circleville was among 100 firefighters from eleven companies which fought the fire at the Heritage Manor Restaurant on Route 211 in the Silver Lake Fire District.

In May, the firemen were at a Sands Road mobile home fire which had started by the water heater. It was the home of one of their firemen. They escaped out the back

bedroom and were unhurt. There were about 40 firefighters from three companies.

The Annual 4th of July parade had added participants this year - Boy Scout Troop #188. A grand group who proved their patriotism by walking in the parade. Also, Town of Wallkill officials paraded and greeted the townsfolk. The Bloomingburg Fire Company had their old and new equipment in the parade as well. They also marched.

At the 76th Annual Orange County Volunteer Firemen's Association parade, Circleville took third place in the Class B Division (20-29 volunteers in line of march).

Oscar Davis died on April 14, 1991 and Gordon H. Baxter died on August 24, 1991.

1992: March found our firemen assisting Bloomingburg at a home where smoke alarms aroused the sleeping family of 5. The firefighters were at the scene for six hours. In May, our firemen assisted Silver Lake at a furniture store blaze on Route 211. At the Middletown parade, the firemen took "Best Appearing in Regulation Uniform" (15 or fewer members in line).

1993: The firemen were at a rollover on Route 17 between Exits 118-119 on June 28th. The 46-year old firehouse #1 was torn down and a new four-bay fire station at a cost of \$800,000. was built in its place.

Sherrill Hufcut passed away on December 28, 1993.

1994: A ribbon-cutting ceremony for the new Station #1 was held at noon on May 28th. State and local officials attended, as well as members of neighboring fire companies from Orange, Sullivan, Ulster and Rockland counties. The 10,000 square-foot station has been in operation since March. It is equipped with a kitchen, lounge, meeting room, four offices, and a dispatch office. The District has applied for a grant for a new computer that would connect the radio room and offices.

Arthur Eustance passed away December 17, 1994.

1995: March found our men assisting a critical hurt lady in an auto accident at the intersection of Route 17M and Route 302 in the Town of Wallkill. In May, a fire ruined the historic manor on Evergreen Drive (C.W.'s) which is in the Washington Heights Fire District. Five companies helped including Circleville.

In May, the men sponsored a dance for the benefit of one of their own who was in the hospital.

Leon Vaughan died on March 12th.

1996: Route 302 was closed to traffic due to a gasoline spill when a truck was pumping gasoline into an underground tank and 150 gallons spilled out of the tank. Sand was spread to make sure the gasoline did not seep into any water sources. The Department of Environmental Conservation assisted our firemen.

THIS BOOK IS DEDICATED TO THE
PAST, PRESENT AND FUTURE
FIREFIGHTERS AND SOCIAL MEMBERS
OF THE CIRCLEVILLE FIRE COMPANY.

MANY THANKS TO EVERYONE WHO
HAS CONTRIBUTED IN ANY WAY TO
THE CIRCLEVILLE FIRE COMPANY,
CIRCLEVILLE FIRE DISTRICT AND THE
CIRCLEVILLE FIRE COMPANY
AUXILIARY DURING THE PAST FIFTY
YEARS.
